

Music Lesson Program

- 1 Lessons are scheduled for the same day and time every week. Students may choose between 30-minute lessons and 60-minute lessons to be paid **MONTHLY, QUARTERLY**
- 2 Lessons can only be cancelled with a minimum 24-HOUR CANCELLATION NOTICE, which will allow a lesson re-scheduling only within the month of payment. No refund will be given.
- 3 If the above 24-hour notice of cancellation is not given (in which case the instructor is required to be paid), the student forfeits the lesson without a re-scheduling and will be charged for the lesson as if they had attended.
- 4 Students are allowed one unexcused absence per quarter for unforeseen situations, for which a make-up lesson will be scheduled.
- 5 Upon enrollment, students pre-pay for the first block of lessons.
- 6 Thereafter, payment will be required at the last lesson of the month for the following month. For example, tuition for September lessons will be due at your last lesson in August.
- 7 Acceptable forms of payment are cash, or personal check, There will be a \$25.00 charge added to all returned checks.
- 8 Students are not charged when the teacher is absent or we are closed due to holidays, or inclement weather that is deemed a danger and/or emergency, such as hurricanes, extreme thunderstorms, and tornadoes. Simple rainstorms do not warrant missing a lesson. A credit will be issued for lessons cancelled by the school
- 9 During school vacation weeks, The School will be open. Should you be away during these times, you must notify the school in advance, or missed lessons will be forfeited.
